Cocktail Classes

A dive into both the principles behind and the uses of the bare necessity of tools and techniques needed to execute show stopping classics in most any environment. Covering the full center arcs of the cocktail family tree, you will grasp not just what makes these drinks timeless and essential but how to make them in virtually any environment with minimal preparation and no excessive gimmick laden tricks or tools.

Spirits Tasting

We're versed in any and all things spirits! Let our experts guide you through an in depth educational seminar regarding spirits from all over the world. Origin, history, processes, distillation techniques, aging, flavor profiles, etc will holistically be discussed. Spirits tastings can also be coupled jointly with a cocktail class for an all around immersive experience for you and your guests!
